The Rotary Four-Way Test

of the things we think, say or do:

1. *Is it the **Truth**?*
2. *Is it **Fair** to all concerned?*
3. *Will it build **good will** & better **friendships***
4. *Will it be **beneficial** to all concerned?*

Program: Club Survey Analysis

A club survey was recently distributed to all members of the Lone Star Rotary eClub to better understand your interests, priorities, and expectations. The goal of this effort is to gather meaningful feedback that will help guide the overall direction of our club. As we continue to grow, it is essential that our decisions reflect the voices and experiences of our members—the foundation of our club's strength.

Today's program is focused on thoughtfully reviewing and analyzing the survey results, particularly in the areas of programming, engagement, and opportunities for improvement. Please share your insights on what you would like to see added, what changes could enhance the member experience, and how the club can better serve both its members and the broader community.

Lone Star Rotary e-Club

May is Rotary Youth Service Month

May is Youth Service Month —a time dedicated to celebrating the local and global impact of Rotary International's young leaders. While their impact is felt year-round, this month provides a special opportunity to showcase the leadership growth and service efforts of the 350,000+ young people engaged in Rotary's youth programs worldwide.

INTERACT

Interact is a Rotary-sponsored service club comprised of 14-18 year olds. Interact gives young people the opportunity to take part in fun, meaningful service projects. Interact strives to promote student leadership, local volunteer service, and to make members aware of the many global and world issues that effect people everyday.

RYLA

Each year thousands of young people take part in the Rotary Youth Leadership Awards (RYLA) programs worldwide. Young people are chosen for their leadership potential to attend a seminar, camp or workshop to discuss leadership skills and to learn those skills through practice.

ROTARY YOUTH EXCHANGE

Rotary Youth Exchange is an excellent and inexpensive way for high school age students to travel and study in a foreign country.

Youth exchange gives the participant the opportunity to improve their language skills and school and family experiences will teach them the culture of their host country. They also act as ambassadors for their home country and Rotary.

Polio Plus Update

Amid geopolitical tensions and insecurity across the Region, health workers in Pakistan and Afghanistan came together in April in a synchronized effort to protect every child from polio.

From 13 to 19 April 2026, a nationwide vaccination campaign in Pakistan reached 44.8 million children. Simultaneously, Afghanistan launched its first nationwide campaign of 2026, reaching 12.8 million children under 5. Vitamin A was co-administered to children between 6–59 months in both countries. The synchronized effort reflects a simple but powerful reality. Poliovirus does not stop at borders, and neither can the response.
